

Doctors on Duty on Sundays and Holidays

If you have a fever or respiratory symptoms, please call before visiting clinics / hospitals.

■ Program details

There will be 3 medical clinics (4 between December and March) open and available for medical care per weekend (Sundays and holidays). In principle, it is usually arranged so that one of them on duty is specializing in pediatrics. Regarding information on the different types of clinics on duty, refer to 休日当番医 “Kyuuujitu Touban-i” on [the city website](#) (only in Japanese).

■ Types of medical examinations and treatments

Please refer to the city website under “*Kyuuujitsu Touban-i*” for details concerning doctors on duty for Sundays and holidays. For foreign languages, please refer to the monthly foreign language public information newsletter “*Ota Informa*,” issued on the 10th of each month (available in English, Simple Japanese, Portuguese, Spanish, and Chinese). This newsletter is available at locations including the Consultation Counter for Foreign Residents “*Gaikokujin Shimin Soudan Madoguchi*” on the 1st floor of Ota City Hall, various service centers, etc.

Information in various languages can also be accessed by selecting your desired language (言語を選択) on the top right of the city website.

■ Cautions

The doctors on duty in this program are on standby for only emergency situations / treatments. Patients are asked to seek regular treatment on weekdays.

Please note that clinics / hospitals on duty are not heavily equipped to thoroughly examine and hospitalize patients.

In case of coming in for a medical examination, please be sure to bring your health insurance card.
