

COVID-19 Vaccine (for 4th dose) in Ota City

Eligibility: Persons who falls under one of the following and 5 months or more have passed since the 3rd dose.

- ① 60 years or older
- ② 18 to 59 years of age with underlying disease
- ③ 18 to 59 years of age, recognised by the doctor to be at high risk of aggravation by becoming infected with COVID-19

When you fall under ② or ③: it will be necessary to request the issuance of the 4th dose ticket, except for those who made this procedure for the 1st and 2nd dose.

Application: Please file in the application form available on the city website and submitting it in person, by mail or by fax (0276-46-5293) to the “Shingata Coronavirus Kansensho Taisakushitsu,”

Address: 〒373-0851 Ota-Shi Iida-Cho 818

Individual Vaccination

The vaccination should be at the same medical institution where you received the 3rd dose. Please refer to the leaflet enclosed with the vaccination ticket or on the city website to find out how to book the vaccination.

When the medical institution where you received the 3rd dose is not on the list, book in group vaccination or in another medical institution on the list.

Note: Please check whether it is acceptable in advance if the 4th vaccination is available at a different institution from the 3rd.

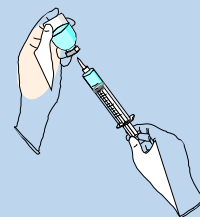

Consultation Service for 4th Vaccination

Reservations can be made through **LINE** or telephone, at the city’s call center, but if you are still having difficulties scheduling your vaccination, please consult one of the counters.

Location: See the table below.

Eligibilities: Persons who fit all of the following.

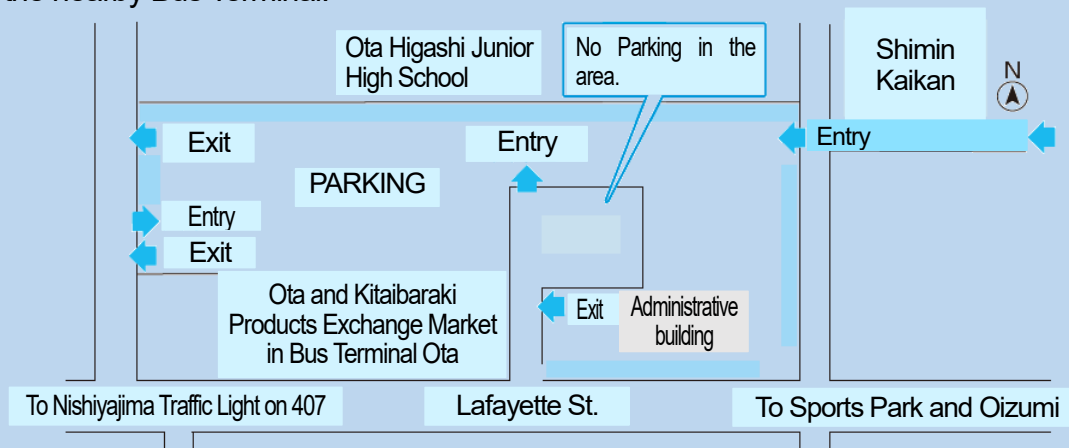

- Eligible for the 4th vaccination
- Received the vaccination ticket
- Ota City residents
