

# Be prepared for typhoons, heavy rains, and other natural disasters!

August and September is a season of typhoons, heavy downpours of rain, and other natural disasters. Let's be well-prepared for natural disasters beforehand!

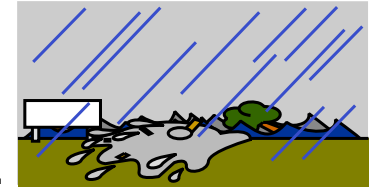

## 1. Make sure to check the weather forecast on your television and radio.

- Do not obtain information from non-legitimate websites or e-mails because it may provide wrong information (do not fall for baseless rumors).
- Let's try to obtain the most updated information available on the television or radio.

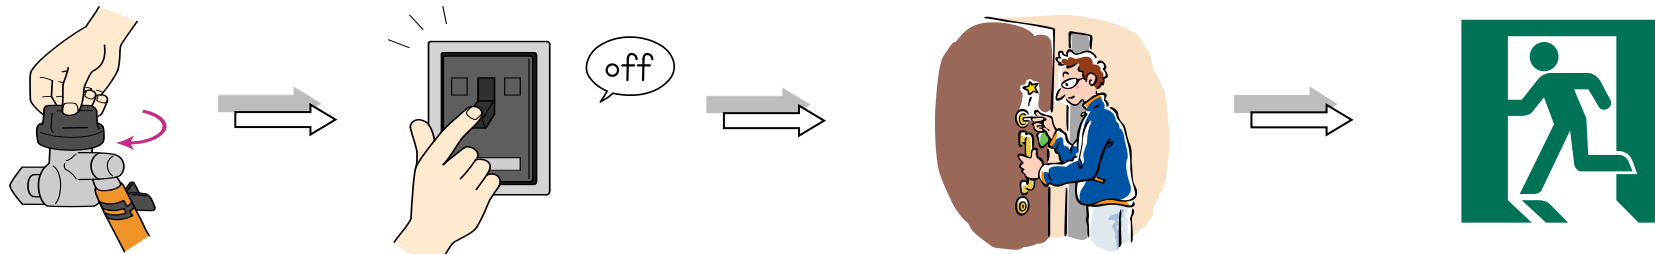

## 2. Keep away from dangerous areas such as flooded rivers or places where landslides could occur!

- Do not go near rivers at risk of flooding/overflowing.
- Do not evacuate near dangerous locations.

## 3. Promptly evacuate as soon as an evacuation order has been directed from city hall, etc.

- ① As soon as Ota City gives instructions for you to evacuate, please evacuate to the nearest refuge location.
- ② Before evacuating your home, turn off the main gas supply line and unplug all electrical plugs AND THEN close all of your windows and doors.
- ③ At the refuge location, please be calm and follow the directions provided from city hall staff, etc.

**Contact Information: Ota Police Station Tel: 0276-33-0110 (in Japanese)**
