

# Be prepared for natural disasters such as typhoons or heavy rains!

## Ota Police Station

The months of August and September are known as the natural disaster season. Therefore, expect for typhoons, heavy rains and cloudbursts. Be prepared for natural disasters on a daily basis.

### 1. Make sure to check the weather forecast on the television and radio.

- Do not get information from non-legitimate websites or e-mails because it may provide the wrong information.
- Let's get the correct information by the television or radio.

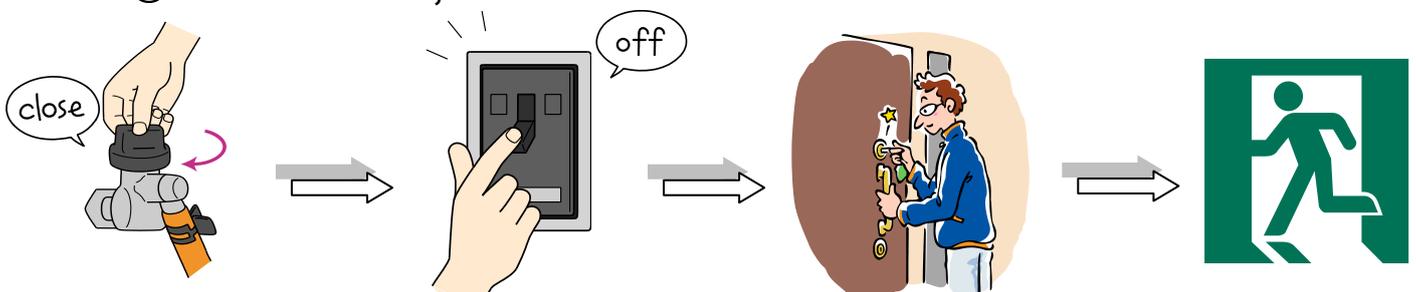

### 2. Keep away from dangerous areas such as flooded rivers or places where landslides could occur!

- Do not come near the rivers with the risk of being overflowed.
- Do not come near the dangerous areas when evacuating.

### 3. Evacuate as soon as possible when public authorities direct you to evacuate.

- ① As soon as Ota City gives directions that you should evacuate, please evacuate to the nearest shelter.
- ② Before evacuating your home, do not forget to turn off your main gas line supply, unplug all electrical plugs and lock your home.
- ③ At the shelter, be calm and follow the officers' directions.
