

Matters Concerning Oversized Trash

List of Collection Fees

Cautionary Points

- Trash that cannot fit or be disposed in their specified bags due to size is considered oversized trash.
- Unless specified in the chart below, all prices are for 1 unit of the listed item.
- The term "length" in the chart below refers to whichever dimension (length, width, height, or diameter) that is the longest.
- Up to 5 items can be picked up during a door-to-door collection. Commission a specialized disposal operator "senmon gyousha" in case of large amounts of oversized trash due to moving.
- In case of door-to-door collection, bring the items for disposal to the home entrance on the day of collection or if you live in an apartment, please leave the items on the first floor.
- Extract any batteries in oversized trash before disposal.
- For items listed below that fit in the specified Ota-City trash bags, stickers are not required.

When disposing oversized trash at the trash station or for door-to-door collection, please stick an "Oversized Trash Disposal Sticker" on a noticeable part/surface of the item(s).

●Oversized Trash Disposal Sticker●

※ The "Oversized Trash Disposal Sticker" is sold at stores that offer Ota City-specified trash bags for sale. Please check the service counters, etc.
