Terms of Service for Ota City Security and Safety E-Mail

Please register after reading and consenting to the Terms of Use of the following.

1. Goal

The Ota Security and Safety E-Mail System is an electronic mailing delivery service used as a medium for transmitting information from Ota City to its users, such as registered residents. In regards to users who have registered, our goal is to notify you promptly of any administrative information.

2. Outline

This e-mail system sends information by utilizing an external mailing delivery service. This e-mail system is operated and managed by Ota City and sends information that is deemed necessary. Based on the desired type of notification, necessary information is provided through e-mail to its users. The system will respond to electronic devices that have internet access, such as computers and phones. This e-mail system does not guarantee the complete function/operation in all environments. There may be cases when the user may not be able to use this service due to their environment or device that is utilized. There may be cases when the user receives other information (undesired information), but deemed necessary from the city. Upon user registration, it will be treated as though agreeing and consenting to the written terms and conditions. The terms may be amended when deemed necessary.

3. Cost

The user is responsible for possessing the necessary devices required for usage and all involving costs. Please note, there are no fees required for the e-mail service, but the user is responsible for other outside fees that may be required, such as communication fees (texts).

4. User Registration

After consenting to the user terms, interested users may send a blank text/e-mail and access the internet link provided in the reply text/e-mail to register. After completing your registration, a confirmation e-mail will be sent to the e-mail address provided. Please check and fix any mistakes. In the case you do not receive an e-mail within one hour, it is possible that the e-mail provided was entered incorrectly. Please confirm the e-mail address entered, and try registering again if incorrect.

5. Modification and Termination of User Registration

In the case you wish to make changes to notification messages, please fix and choose your desired type of notification on the changes and modification page. In the case your e-mail address has changed, please delete the address on file and register the new e-mail address.

6. Suspension of E-mail Service

With the following cases, there may be instances when e-mail/texts will stop being sent without notice. Again, Ota City will assume no responsibility regarding any suspensions or terminations of the e-mail system.

- 1) E-mail address registered becomes unavailable (unable to receive e-mails/texts).
- 2) User violates the user agreement.
- 3) Any errors or false information discovered in the user registration.
- 4) Other actions deemed inappropriate by Ota City.

7. Disclaimer

In Ota City, we are prudent and strive to offer the most accurate information available to our residents, but there may be cases where we cannot guarantee with certainty and absolute confidence that all the information is accurate when regarding emergency or fluid information. Please use the provided information using your best judgment and responsibility. In regards to any circumstances (server and line congestion, radio wave state, etc.) resulting in delays or failure of texts, Ota City is exempt from any responsibility. In the case you have provided false information and inflicted damage to a third party, Ota City is exempt from all responsibility. In the case there are any abnormalities with the system, their service may be suspended without notice. Ota City will be exempt from all responsibility for any damage inflicted to the user or third party due to this.

8. Personal Information

Any registered personal information will be possessed by Ota City and protected with an appropriate and safe security management system. All registered information will be used for the sole purpose of sending system notifications.

9. Copyright

Without gaining permission from Ota City, this service may not extend beyond the personal/private use of the individual user as stipulated in the copyright act. The system contents may not be reprinted, replicated, modified, transmitted, distributed or published in any way or form.

10. Concerning Disaster Information

For individuals wishing to receive disaster information, please acknowledge the following in advance, along with the user terms mentioned above. In the case a disaster occurs, you may receive messages early morning or late at night. Please understand that this done is to protect the lives and financial assets of our users. Depending on circumstances during the time of disaster, such as the dispatch situation, it is anticipated that there may be a delay with e-mail/text notifications, or that transmissions may not be able to be sent entirely. There may also be pranks or erroneous information reported, but depending on the situation it may still be sent as disaster information. In the event the fire was extinguished immediately after the time of disaster, a notification may not be sent.

11. Concerning Disaster Prevention Information

In regards to notifications on disaster prevention, information is also sent to the Gunma Police Station Headquarters. If you are already registered with the Gunma Police Station Headquarters e-mail service, there may be instances when you receive duplicate notifications.

12. Other

Please refrain from contacting and asking questions concerning notifications sent through e-mail/text to other involved establishments such as police stations, fire stations, and the board of education. Other items not mentioned in the terms and conditions will be specified separately by Ota City.

There may be cases when the service is suspended and no prior notice is sent due to damage or maintenance.

13. Supplementary Provision

These terms and conditions will be enforced from April 1, 2012.
