

● Notice from Tax Office

(英語版)

Filing tax return by e-Tax from home is recommended in order to prevent the spread of COVID-19. Use your *My-Number* Card for simpler filling.

● If you access to the “Final Tax Return, etc.*” page on the National Tax Agency website through your smartphone, you can apply for your tax return on a dedicated screen for it. In addition, when you scan the withholding tax slip “*Gensen Choushuhyou*” with the camera function of your smartphone, the amount listed on it is automatically reflected on the input screen making the preparation of tax returns very easy and convenient.
