(As of May, 2023)

Please check the table below for details.

Eligible persons		Spring / Summer (May 8 th – August)	Autumn / Winter (September – December)
Aged 12 years or older (completed the initial vaccination) *Note	Aged 65 years or over	✓	✓ 
	Having an underlying disease		
	Health care professionals, etc.		
	Other than the above (under 65 years of age in good health)		
Aged 5 to 11 years (completed the initial vaccination) *Note	Having an underlying disease	✓	✓ 
	Other than the above (children in good health)	✓	
		(Only for unvaccinated children)	
Aged 6 months to 4 years (initial vaccination)		✓ (Conventional vaccine)	
Not completed the initial vaccination		✓ (Conventional vaccine)	

*Must be completed the 1st and 2nd vaccination and 3 months have passed since the last vaccination.
Please note that all of the vaccine are omicron-targeted except for the initial vaccinations.

Vaccination tickets will be sent out to eligible persons sequentially.

Ticket Dispatching Schedule

In order to avoid concentration and confusion of reservations for those eligible for spring and summer vaccinations, the tickets will be sent out in three installments.

	Eligible persons	Scheduled dispatch dates (2023)
First	Aged 75 years or over	Dispatched
Second	Aged 65 to 74	Late May
Third	Having an underlying disease or health care professionals, etc.	Early June

* Tickets which were issued in FY2022 for the third through fifth rounds of omicron vaccination cannot be used from May 2023.

Vaccination tickets for the FY 2023 spring and summer vaccinations are light-orange.
