

Ota Programming School *(Ota Proguraming Gakkou)*

■ Outline

The city's programming school offers a wide range of programming courses for children who want to learn them, from basic to advanced content. The goal is to cultivate the ability to think of the best way to solve problems and to develop human resources capable of dealing with all kinds of issues in the future.

■ Courses

Name	Eligible Students	Date, Time and Frequency	Content
Course 1 “Ichi Katei”	Elem. 3 rd grade - 6 th grade	Twice / week 19:00 - 20:30 (Total 30 times)	Scratch, robot programming, etc.
Rapid Learning “Sokushuu” Course	Elem. 5 th grade and 6 th grade	Once / week 19:00 - 20:30 (Total 14 times)	

※The program is open to those who live or attend school in the city.
