

Subsidies for Treatment of Infertility

For those who are undergoing treatment for infertility, a subsidy will be provided to cover a portion of the necessary expenses for them. There are certain conditions, such as that the couple must be legally married and one of them must have been registered in the city for at least one year. For more information on eligibility, subsidy amount, application procedures, etc., please contact your closest health center.

Subsidies for Recurrent Pregnancy Losses

For those undergoing treatment for recurrent pregnancy losses, a subsidy will be provided to cover a portion of the necessary expenses for them. There are certain conditions, such as that the couple must be legally married and one of them must have been registered in the city for at least one year. For more information on eligibility, subsidy amount, application procedures, etc., please contact your closest health center.
