

Disability Handbooks

■ Physical Disability Handbook

Individuals with a physical disability may apply for the issuance of a Physical Disability Handbook by attaching a medical certificate from a doctor when submitting application forms. By owning this handbook, individuals may receive reductions/exemptions on taxes and railroad fares, as well as various allowances/benefits.

The conditions for application include the applicant to possess a resident card, and have their resident registration completed in Ota.

■ Rehabilitative Childcare Record Book

Persons that have been determined as having an intellectual disability at a child consultation center, etc., may apply to receive an issuance of a Rehabilitative Childcare Record Book. By owning this handbook, individuals may receive reductions/exemptions on taxes and railroad fares, as well as various allowances/benefits.

The conditions for application include the applicant to possess a resident card, and have their resident registration completed in Ota.

■ Mental Disability Handbook

Individuals recognized as having mental disabilities that will hinder their overall daily and social life, may apply to receive an issuance for a Mental Disability Handbook. By owning this handbook, individuals may receive reductions/exemptions on taxes and others.

The conditions for application include the applicant to possess a resident card, and have their resident registration completed in Ota.
