

# Sewage Charges

## ■ Sewage charge “*Gesuidou Shiyouryoukin*”

The sewage charge covers the cost of changing the quality of waste water entering the sewage treatment facility into one suitable for discharge, and customers utilizing the sewage facilities are asked to pay for their fair share.

## ■ Procedures for use

In cases where you are renovating or building a new home and have started to use the sewage service, please submit an “Application for Starting Use of Sewage Service” “*Gesuidou Shiyou Kaishi Shinseisho*” to the Sewage Division “*Gesuidou -Ka*” (8F, counter 82).

Also, in cases where the user changes when the water and sewage service is still utilized, submit an Application of Change “*Henkou Todoke*” to Gunma Toubu Waterworks Company “Gunma Toubu *suidou Kigyoudan*” Ota Honsho.
