## ■ Questions and Answers about Additional (3<sup>rd</sup>) Vaccinations

### Q. What are the benefits?

A. Comparing with having no additional vaccination, it is more effective in preventing the risk of infection and serious illness.

### Q. Who are eligible?

A. At present, the vaccination is available to people aged 18 and over who have completed their first and second doses.

### Q. I have moved to the city after my second dose. Will I receive a vaccination ticket?

A. No, you will not. You will need to apply to the city to obtain a ticket for an additional (third) vaccination. For more information, please contact the city call center.
